Report of Principal and School Improvement Council

Wateree Elementary stakeholders have made every effort to foster a safe and nurturing school climate that encourages excellence for every student during the 2007-2008 school year. Our motto is, "Children First...A Cardinal Investment." We expect continuous student improvement as we focus on targeted specific instructional goals.

Our School Renewal Plan's goals emphasize student achievement, good character, and increased parent/community involvement. A dedicated, talented, highly-qualified instructional staff is vital to our school's progress. This year four teachers received National Board Certification (8 total) and over \$7000 in teacher grants were funded.

The implementation of instructional initiatives enhances teaching and learning. The Measures of Academic Progress (MAP) results were fundamental in guiding differentiated instruction and identifying instructional focus groups in grades 2-5. Teachers in grades K-1 used Dynamic Indicators of Basic Early Literacy Skills (DIBELS) results. Each grade level determined their ELA or math academic need, and planned hands-on enrichment and remediation instruction. The after-school Extended Day Program, a district-funded twelve week remediation program, was offered once a week to all students in grades 2-5 scoring Basic or below in Math/ELA on the most recent PACT or MAP. Our Science Coach continues to oversee our Believing, Understanding, and Growing in Science program and offer science kit training.

Educational opportunities outside the traditional classroom include standards-based field studies, Math-Science Nights, Kindergarten Parent Workshop, Book-It and Accelerated Reading goal celebrations, Awards Days, service learning projects, and our talent show and district chorus experiences for older students.

Our PTO, SIC, family volunteers, and community business friends impart endless support. The PTO fundraising efforts, such as the proceeds from individual family contributions and Market Day and Cookie Dough sales, helped to purchase necessary materials and playground equipment. Student success is promoted by our SIC. This year our SIC started a campaign to secure donations for school supplies and materials to be distributed to students on an as-needed basis. Our valued business friends and parents were very supportive.

Ongoing is the challenge of affording our school access to the latest technological advances. We have one technology lab with 29 computers, which limits instruction during the MAP administrations, and three SMARTBoards, limiting access to the instructional innovation of this interactive, electronic whiteboard. Our school and district continue to seek funding.

The students at Wateree are reminded every day to "dream, discover, and achieve!" Wateree is proud to have a dedicated team of stakeholders who all work together to educate and sustain quality educational experiences for every child.
